800

Introducing the new Alto 800

MARUTI  **SUZUKI**

Way of Life!

Fresh & Spacious Interiors

The cabin in the new Alto 800 has a refined look and feel. The overall result is superior interior quality with more space and a comfortable environment. Also you get to choose from an option of brown and grey interiors.

- More comfort with extra head and shoulder room in front alongwith extra legroom at the back.
- Intelligently packaged slim doors to maximize interior passenger space and comfort.

Best-in-Class Mileage

Multiple methodologies focused on fuel-efficiency have resulted in the enhancement of the overall performance in the new Alto 800.

*As certified by test agency under rule 115 of CMVR.
*For Alto 800 Std Variant.

Let's khisko from the everyday boring situations.

Let's get rid of the same old monotonous and mundane life. Let's leave boredom behind with the all new Maruti Suzuki Alto 800. The extraordinary things to look forward to in the new Alto 800 are:

- Wavefront Design • Fresh & Spacious Interiors • Best-in-class Mileage
- Easy Drive & Handling • Safer Drive

'Wavefront' Design

The new Alto 800's harmonious yet slick design packs quite a punch with the unique 'Wavefront' design. The smooth long curves, the prominent wheel arch and wider lip adds to the side stance. All this makes the Alto 800 a design wonder.

Unique 'Wavefront' design and sloping window lines with a swaying roof.

Jewel-finish rear combination lamps and pleasant design on the back door.

Petal shaped headlamps alongwith stylish grille and bumper.

Utility space in the centre console

The centre console has space for a can, coins and a 1-litre bottle. The power window has been relocated on the floor console for easy accessibility.

- 3-spoke steering wheel with silver accents.
- Utility spaces on the dashboard.

Easy Drive and Handling

- Cable Type Gear Shift Mechanism for smooth gear shifting.
- Detent Pin Technology (DPT) for precise shifting.
- Diagonal Shift Assist (DSA) adds to the comfort by assisting in effortless shifting from 5th to 4th gear.
- Flat torque curve prevents frequent gear shifts.

Safer Drive

The Alto 800 comes with optional driver side air-bag. Alto 800 uses high strength steel that provides for better occupant protection.

Technical Specifications
