

## Fall in love, six times over.

Choose from any of our bright paint finishes for your Vento TSI. In a Volkswagen, perfection begins much before the car is complete. Just why protective layers of paint are carefully applied on to the body, after which the final coat comes on. Finishing touches, worthy of a royal reception.

## Technical Specifications

	Description	Vento TSI
<b>Powertrain</b>	Engine Type	Turbocharged, direct injection petrol engine
	Cylinders	4
	Displacement	1197 cc
	Transmission	7-speed Dual-shift Gearbox (DSG)
<b>Performance</b>	Max. power output (PS (kW) @ rpm)	105 (77) @ 5000
	Max. torque (Nm @ rpm)	175 @ 1500-4100
<b>Dimensions</b>	Length x Width x Height x Wheelbase (mm)	4384 x 1699 x 1466 x 2552
	Minimum ground clearance (mm)	168
	Tyre size	185/60 R15
<b>Exterior</b>	Galvanised body with 6-year anti-perforation warranty	•
	Heat-insulating glass for windscreen, side and rear windows	•
	6x15 'Lakeside' alloy wheels (Set of 4)	•

# The Vento TSI

Volkswagen. Das Auto.

## Looking for a reason to drive home the stunning new Vento TSI? How about seven?

The latest innovation in the elegant Volkswagen Vento comes in the form of a powerful 7-speed Automatic DSG Transmission. Equipped with a superior 1.2L TSI petrol engine, this sedan now boasts of maximum power, but at the convenience of minimum consumption. A first in its segment, the TSI engine with Dual-shift Gearbox ushers in a new beginning for luxury sedans. And moulding this lethal combination further, is the elegance of German craftsmanship. Uncompromisingly designed, the interiors in the Vento TSI offer a striking mix of comfort and aesthetics. Along with surprising new additions, this one promises to pack quite the punch. On the road. And in your heart.

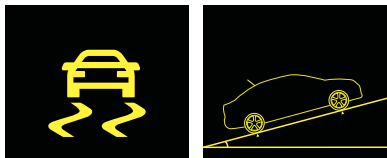

### 7-speed Automatic DSG Transmission

When it comes to industry benchmarks, we'd rather set some of our own. One drive with the 7-speed Dual-shift Gearbox and you'll be a believer too. The automatic transmission and smooth gear-handling in this refined piece of technology promises an exhilarating performance and an unforgettable drive. In seventh heaven, anyone?

### Rear Parking Sensors

After looking for that perfect parking spot, you deserve equally perfect parking assistance. That's where the rear parking sensors come in. They emit audible signals that alert you about any obstacles behind. The only thing you need to do is relax, step out and stare in awe.

### Electronic Stabilisation Programme (ESP) and Hill-hold function

Effortless manoeuvring comes standard. With ESP, the sensor-controlled Electronic Stabilisation Programme that recognises critical driving situations and controls the speed of individual wheels, reacting in milliseconds. The Hill-hold function prevents your car from rolling back, even when pulling away on a slope or during a hill start.

### Alloy Wheels

Greater suspension, road handling and, not to mention, looks. Sporty wheels with a commanding presence, that's the beauty of the alloy wheels on the Vento TSI.

### Airbags

Besides the seat belts and ABS, another addition that makes the Vento TSI one of the safest cars on the road is the safety airbags. Dual airbags are suitably placed for the driver and the co-driver. Simply enjoy a reassuring drive and leave the rest to us.

### Climatronic Air-conditioning

The intelligent Climatronic air-conditioning makes it a point to always keep you comfortable. The Vento TSI automatically regulates the temperature inside to ensure a pleasant climate, making every journey a comfortable one.

### Space Max

Maximise legroom at the back with Space Max control. For the first time in this segment, a car allows you to adjust the co-driver's seat from the back. The individually adjustable dual rear AC vent make the journey at the back as comfortable as the front.

### Tilt and Telescopic Steering Wheel

We're taking comfort to new levels, literally. Your steering wheel in the Vento TSI is adjustable for both, reach and rake. What's more, it comes stylishly leather wrapped for a better grip. Every drive, customised to perfection.

### Rear Seats with Foldable Armrest

The comfort in the Vento TSI is unparalleled. The spacious seats, upholstered for added comfort, lend a luxurious touch to the back. A foldable armrest and dual rear AC vent assure a relaxed time to everyone out for a drive. We've left no stone unturned in crafting interiors that are a class above the rest.

### The 1.2L TSI Engine

#### Maximum Power. Minimum Consumption.

At its heart, the Vento TSI runs a pulse on an incredibly efficient, high-performance 1.2L TSI engine. A first in its segment, this beauty makes zero compromises on power, while maintaining fuel consumption. With a 175 Nm torque from 1500 to 4100 rpm, this supreme machine boasts the highest torque in its class. And, of course, complementing this breakthrough internal framework is the superior build quality of a Volkswagen.

### Dream with your eyes open.

That's what our engineers do, as they painstakingly test every car till it spells perfection. Pioneering innovations that one has come to expect only from German craftsmanship. A trait the new Vento TSI proudly boasts of. With playful features that respect your every command, stylish interiors that set the mood right and an immaculate TSI engine that sits fiercely effective under the hood, this refined drive promises to carry you around in style. All you have to do, is rev up the engine and dream.
