A global group

For over 115 years, Renault has written and rewritten the automobile story, adding an exciting chapter every time. It has been at the forefront of many revolutionary firsts. The Gearbox. The Sedan. The Turbocharger. The Hatchback. The MPV. Inventions that didn't just change the way the world travelled, but also changed the way the world looked at automobiles.

In the last 30 years, Renault has been pushing the limits of motor sports and technology. At the 2013 Formula One® Airtel Indian Grand Prix, the Infinity Red Bull Racing Team powered by the Renault RS27 Engine bagged yet another victory, giving Renault its 12<sup>th</sup> Constructors Championship title.

With 5 classy and stylish cars in its portfolio, Renault continues to change the way India drives. A fact that's reinforced by its rapidly growing dealer network and customer base. Within just over two years in India, Renault has driven its way into every Indian car enthusiast's heart. Awarded the 2013 Manufacturer of the Year, and arguably the most awarded brand ever in a year, Renault now commands a compelling position in the industry, ensuring its legacy of excellence as well as vision for change on Indian roads.

## THE ALL-NEW RENAULT FLUENCE. STATUS REDEFINED.

Few things in this world command so much attention, and so little persuasion. With its fluid contours and cutting-edge engineering, the new Renault Fluence delights with both its design and performance. While the technology in this car is multi-faceted and designed to give you a superlative driving experience, the comfort and styling within please the eye as well as the other senses. The stylish new Renault Fluence is sure to impress all those who seek an incredible driving experience packaged in a chic, luxurious car. The all-new Renault Fluence. Status Redefined.

# DESIGN

The latest Renault Fluence establishes its new brand identity by featuring a lustrous black grille that highlights the chrome Renault logo beautifully. The front is further enhanced by the use of LED daytime running lights with a striking chrome garnish and state-of-the-art halogen projector headlamps. To top it all off, there are the new R16 Kaleido alloy wheels that further enhance its look. If the exterior is mesmerising, the interior is inviting. The integrated dual-tone upper dashboard has a soft touch finish, yet it is also resistant to everyday weathering. The cabin comforts and interior refinement are meticulously crafted to please the eye and soothe the senses. Go ahead, change the way you look at automobile design.

# NEW BRAND IDENTITY

It is impossible to miss the all-new Fluence when it's out and about. Its unique design and seamless contours make the perfect style statement.

## 1. NEW FRONT RADIATOR GRILLE

The new front radiator grille is imposing and eye-catching. The Renault logo stands out perfectly against its lustrous black background, beautifully conveying the car's new brand identity.

## 2. STYLISH CHROME LOOK PACK

The windowsill, boot deck lid and fog lamp rims come chrome-finished for a classy touch.

## 4. LED DAYTIME RUNNING LIGHTS

Seduction guaranteed. Apart from adding to your car's aura, the Fluence's powerful new LED daytime running lights sport a striking chrome surround. They also keep you safe by increasing the conspicuity of the car.

## 3. SOFT TOUCH DUAL-TONE DASHBOARD

The integrated upper dashboard has a 4-layered, soft touch finish, yet is resistant to everyday knocks and exposure to direct sunlight. This makes it classy as well as perfect for Indian driving conditions.

## 5. PROJECTOR HALOGEN HEADLAMPS

With black headlight masks and chrome eyelashes, the new headlamps are longer, creating a sharper, more powerful look. Built-in halogen projector lamps offer excellent light projection to ensure greater visibility as well as safety on the road.

## 6. ALLOY WHEELS

The Fluence's stylish new R16 Kaleido alloy wheels add to the dynamic look of the car and improve handling and stability.

## 7. ABUNDANT CABIN SPACE

The interior space is amongst the largest in its category, making it a truly comfortable premium saloon car.

## 8. PLUSH LEATHER UPHOLSTERY

The plush new beige Alpaga leather seats provide both comfort and hygiene. While the front seats provide excellent support for the driver and co-passenger, the rear redefines comfort with AC vents and central arm rests. The 27° angle of the back seat is tested for optimal comfort for a pleasurable ride.

## 9. STYLISH CONTOURS

From its fluid, audacious and expressive lines to its curved rear and piercing lamps, the Fluence is a thoroughly beautiful vehicle.

# COMFORT

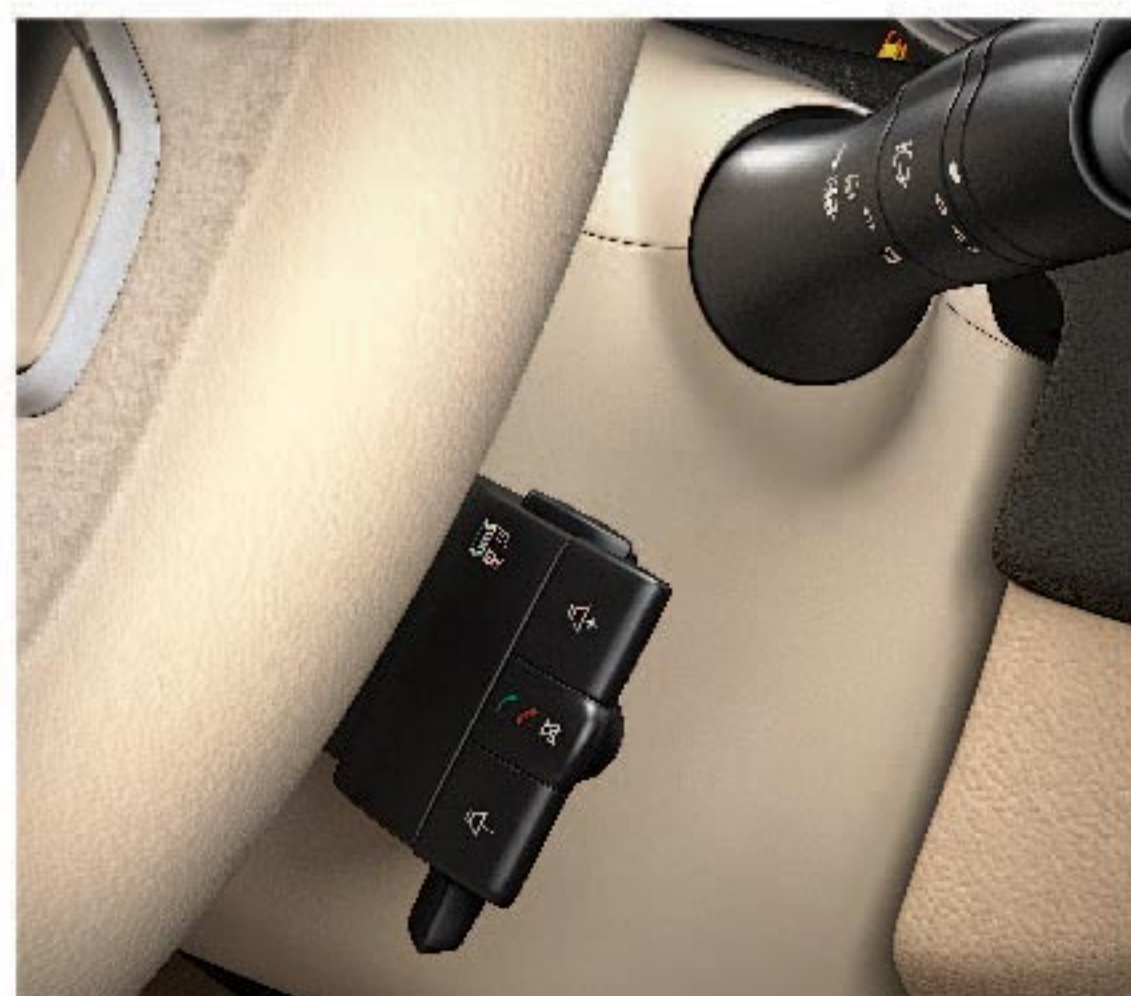

The Fluence's electric power steering combines precise driver feedback with a swift and accurate response for a smooth drive. The technology employed and the calibration of the control unit ensure both steering precision and pure driving enjoyment. Every feature within the new Renault Fluence is built and styled to pamper.

### 1. SOFT TOUCH DRIVER CONTROLS

Ergonomically laid out controls mean all essential functions are easy to manage, including climate control, radio, telephone fingertip remote control and cruise control / speed limiter.

### 2. TILT & TELESCOPIC STEERING WHEEL

Find the most comfortable driving position for yourself with the Tilt and Telescopic Steering Wheel function.

### 5. SMART DIGITAL INSTRUMENTATION CLUSTER

The stylish, easy-to-read and ergonomically optimised digital meter cluster is easier to read and offers optimised ergonomics, helping you gain in speed and accuracy.

### 6. ELECTRICALLY FOLDABLE AND ADJUSTABLE DOOR MIRRORS

The door mirrors are electrically adjustable and foldable with the touch of a button, adding safety and convenience to your daily drive.

### 3. AESTHETIC REAR AC VENTS

Passengers seated in the rear seats have convenient access to adjustable AC vents for maximum comfort and convenience. The vents also help in balancing the temperature within the car.

### 4. DUAL-ZONE AUTO CLIMATE CONTROL

This intelligent function enables the driver and front passenger to select individual temperatures and fan speed preferences via the Soft-Auto-Fast controls.

### 7. SOPHISTICATED SUN BLINDS

Ride business class. Enjoy more privacy and better thermal protection while travelling. The safety and sophistication of the rear sun blinds ensure an experience that's truly a class above the rest.

### 8. LUMBAR SUPPORT

The driver's seat is designed ergonomically with the driver's well-being in mind and provides optimal back support for a comfortable, stress-free drive.

### 9. SPACIOUS BOOT

Spacious and easily accessible, the boot has a luxurious capacity of 530 litres. Use it to carry generous amounts of family luggage, sports gear, groceries and much more.

### 10. REAR CENTRE ARM REST

For those on the go, the rear passengers have an arm rest with two cup holders, making their everyday drive comfortable.

### 11. SMART-LIT GLOVE BOX

The glove box is large and well-lit to make accessibility and storing of objects much easier.

### 12. INTEGRATED MAP POCKETS

Intelligently designed pockets located behind the front seats come handy to store documents, books and magazines.

### 13. CENTRAL CONSOLE STOWAGE

Practical, non-intrusive and easy to access for the driver and the front passenger for storing small and necessary everyday items.

### 14. DOOR STOWAGE BINS

Perfect to hold your knick-knacks and great for long drive essentials like CDs and water bottles.

### 15. SPLIT-FOLDING REAR SEAT

The 60 / 40 - split folding rear seat adds more room to the already ample storage space and brings flexibility to your storage needs.

# TECHNOLOGY

The state-of-the-art, all-new Renault Fluence is fully equipped with efficient, user-friendly technology. The Smart Access Card makes ignition keys a thing of the past. The 3D Surround technology by Arkamys® is always at hand to deliver big, crisply clear sound. The Bluetooth® and Plug & Music option enables drivers to control auxiliary players (such as an iPod or compatible devices with a USB connection) via the steering wheel-mounted fingertip remote controls. Several other practical touches complete this high-tech package, each of which aim to enhance your experience of the car. Finally, technology does what it's supposed to do - take driving pleasure to a whole new level.

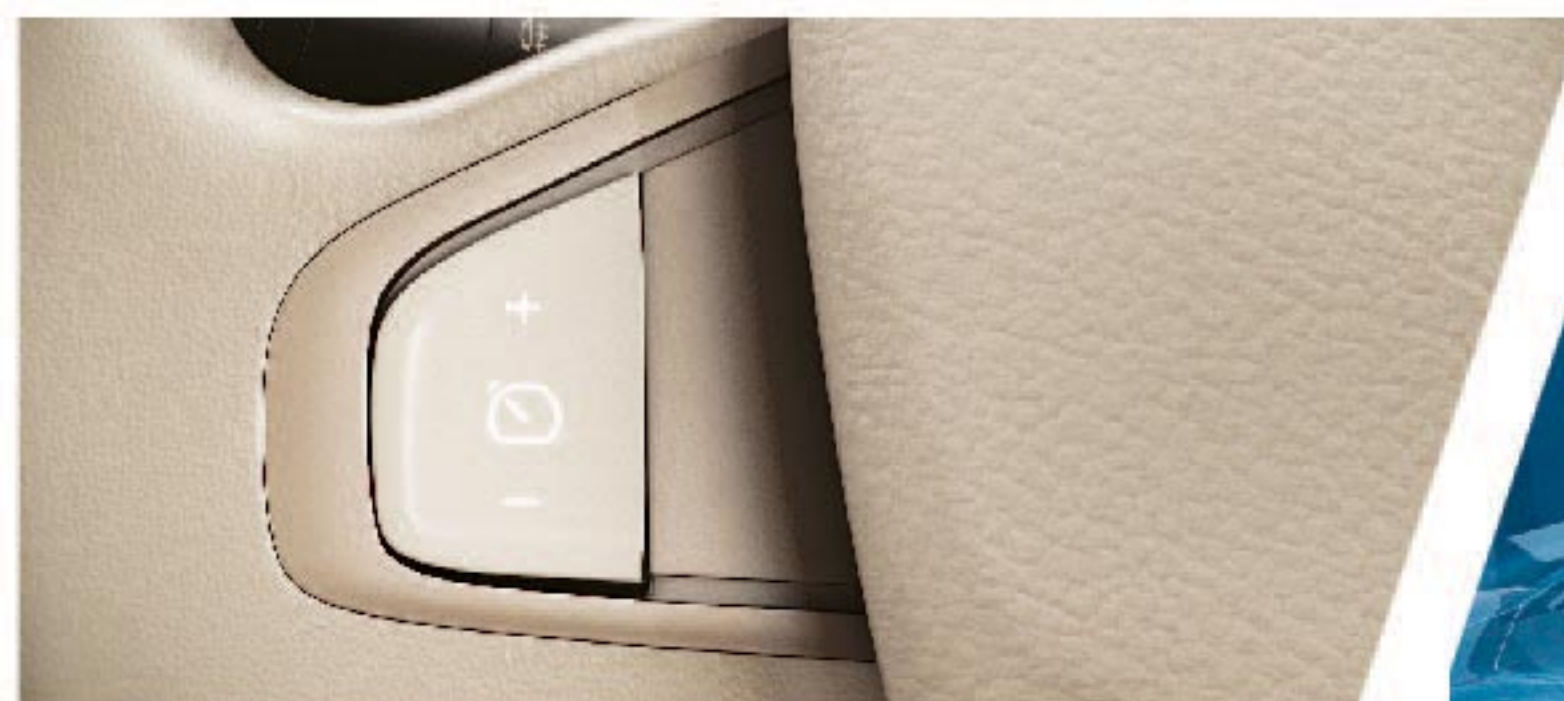

## 1. 6-SPEED MANUAL GEARBOX

A slick, 6-speed gearbox, whose ratios are perfectly matched to the engine's output, give you excellent drivability in stop-and-go city traffic and also give you the ability to cruise at a high speed on highways. The 6-speed gearbox paired with the renowned K9K engine delivers an excellent fuel efficiency of 20.4 kmpl.

## 2. SMART ACCESS CARD AND START/STOP BUTTON

Just keep the card on you. The car locks and unlocks automatically. And the start / stop button in the car lets you start / stop the engine without any key or effort.

## 3. CRUISE CONTROL AND SPEED LIMITER

The cruise control allows you to cruise at a desired speed using controls on the steering wheel without the strain of using the accelerator, for an easy, stress-free drive. The speed limiter helps you govern and limit the top speed of the car.

## 4. BLUETOOTH® AND PLUG & MUSIC

Hook up your digital personal music player using the USB and iPod® sockets and manage the system using the steering wheel controls. Bluetooth® connectivity not only allows the driver to stream music, but also make calls and operate other functions from a smartphone.

## 5. FRONT AND REAR PARKING PROXIMITY SENSORS

The parking distance control system makes parking easier by warning you of obstacles in the front and back through a sequence of beeps. The beeps speed up, the closer you get to the obstacle.

# SAFETY

Renault's responsible vision involves providing the most modern and effective passive and active safety systems. All systems from the seatbelts to the Electronic Stability Program are tested in the most demanding conditions, so you may never be surprised in any situation. Its state-of-the-art technology and pathbreaking research empower as well as inform the driver at all times, ensuring both safe driving and peace of mind.

### 1. ANTI-RUST WARRANTY

Your all-new Fluence comes with a 5-year/100,000km anti-rust warranty, best suited to Indian conditions.

### 2. AIRBAGS (2 FRONT AND 2 SIDE)

The car is equipped with two airbags in the front and two more on the sides of the driver and co-passenger seat.

### 5. ISOFIX CHILD SEAT MOUNTING POINTS

The Isofix 3-point mounting points on the two side seats in the rear allow the safe and secure installation of child safety seats.

### 6. ABS WITH EBD AND BRAKE ASSIST

The Anti-lock Braking System (ABS), with Electronic Brake force Distribution (EBD) and Emergency Brake Assist (EBA), makes it possible to maintain control over the car's trajectory in the event of heavy braking.

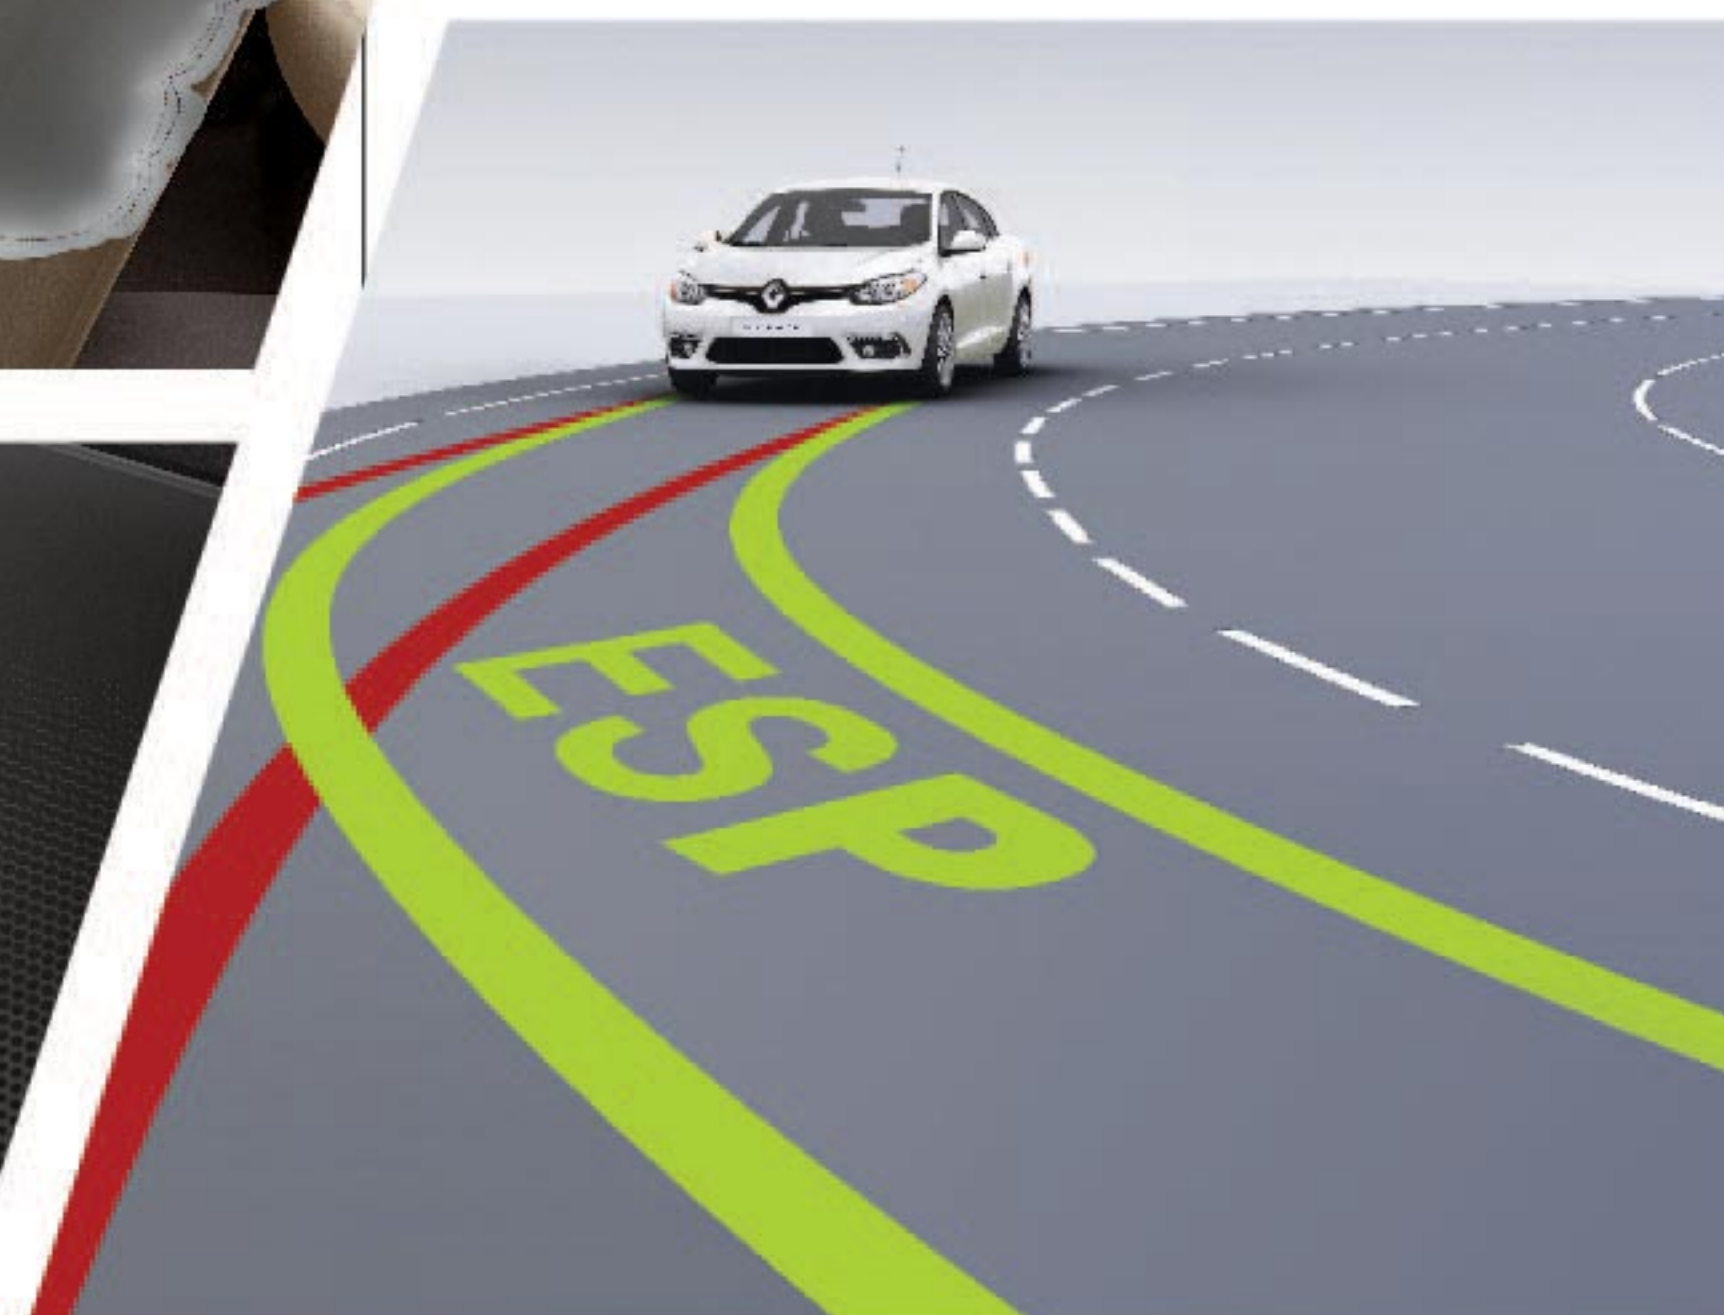

### 3. FRONT ANTI-WHIPLASH HEADRESTS

These can be adjusted both in height and inclination to prevent risk of whiplash injury in case of a collision.

### 4. RAIN-SENSING WIPERS AND DUSK-SENSING HEADLAMPS

The windscreen wipers with automatic intermittent function start and adapt their speed according to the intensity of the rain. A light sensor turns the lights on automatically when it gets dark or when you enter a tunnel.

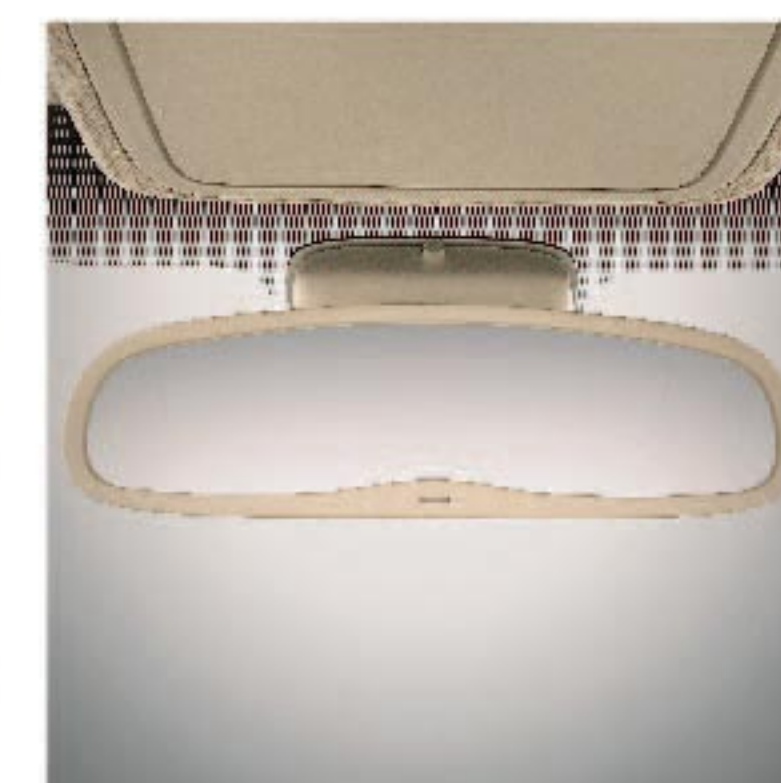

### 7. ESP® AND TRACTION CONTROL

ESP® prevents wheel slip and loss of traction by reducing engine power and applying brake force to the wheels that need it. Traction control maintains traction on wet, icy, loose or uneven surfaces by applying brake force to the corresponding spinning wheel(s).

### 8. FOG LIGHTS

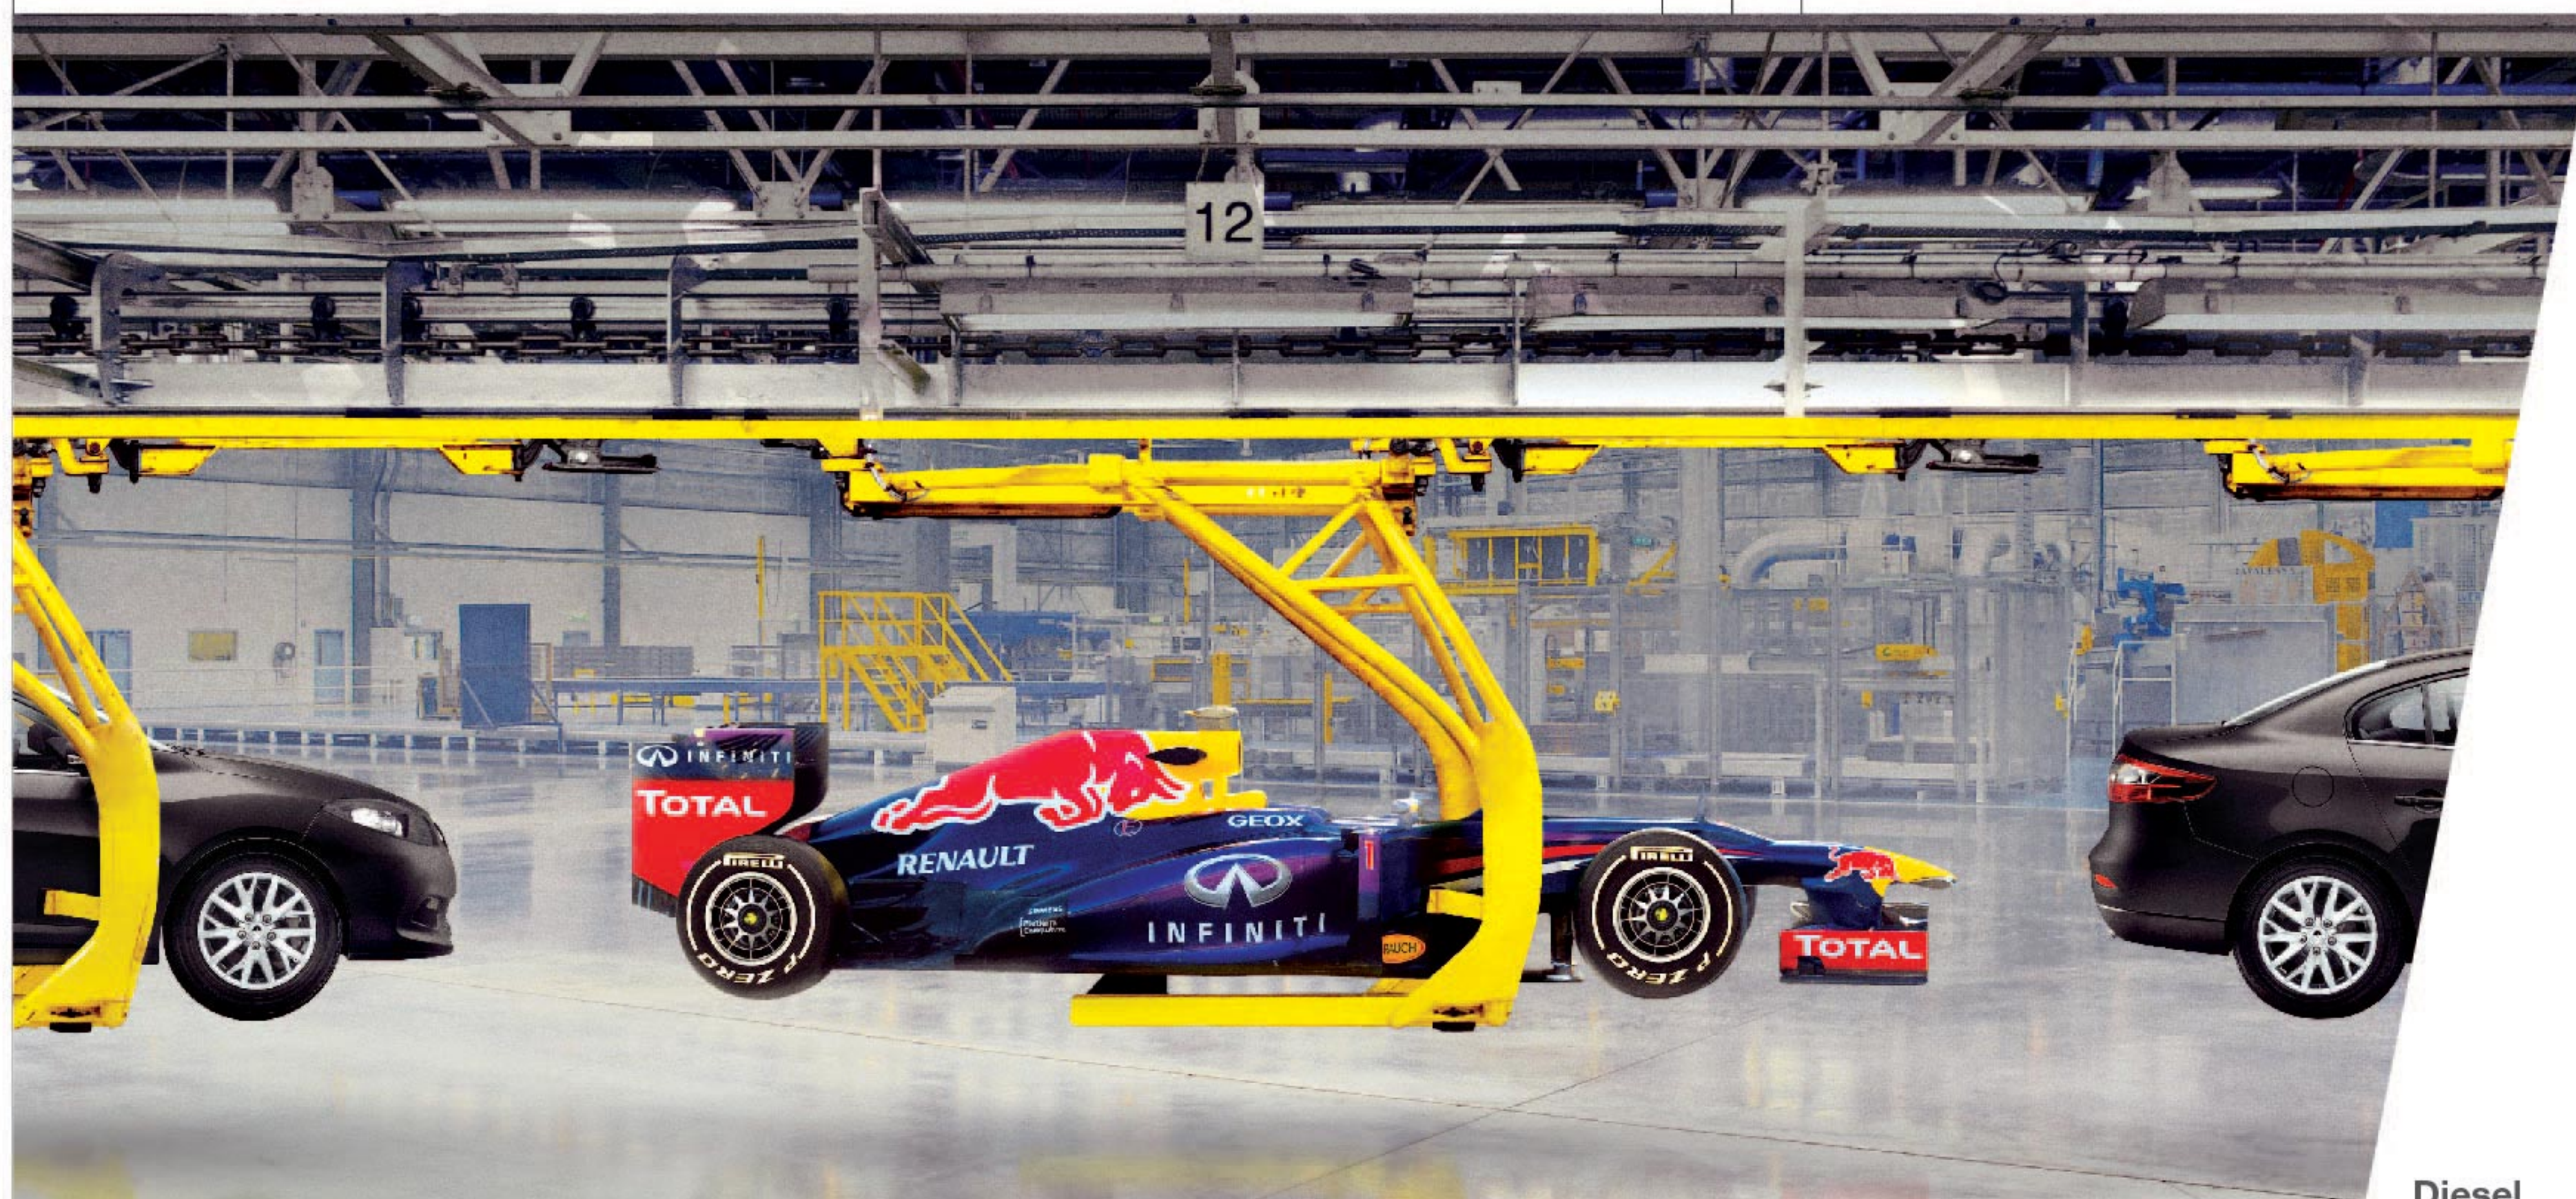

The fog lights improve visibility in foggy or rainy conditions, while adding to the stylish look of the car.

### 9. ELECTROCHROMATIC REAR-VIEW MIRROR

This smart mirror gradually darkens as the light levels increase to prevent dazzling of headlights from oncoming traffic, for a safe and comfortable drive.
