**1974
1985** Racing ahead

**1986
1991** The turbo years

**1992
1998** Research and design

**1999
2014** A global group

Renault (रेनो) has been at the forefront of revolutionising the automobile industry by delivering comfortable, stylish and efficient automobiles. With many eye-catching inventions such as The Gearbox, The Sedan, The Turbocharger, The Hatchback and

The MPV, Renault has not just changed the way the world travels, but also the way the world looks at automobiles. With a global presence, it has succeeded in becoming the travel companion of choice for millions.

Stopping at nothing is in the DNA of Renault. This has seen the company expand its horizons to, and conquer, new frontiers. Testimony to this being Renault's

12 Constructors' Championships and 3 consecutive victories at the Indian Grand Prix in Formula One® racing, considered by many as the ultimate technological test in motorsports.

Now, with 5 admirable cars, Renault is primed to revolutionise the Indian automobile market. A fact that's reinforced by its growing dealer network and increasing customer

base. And with continuing emphasis on R&D, Renault is on track to change the way India drives.

ENJOY EVERY CHALLENGE.

The Renault Duster was built to be a game changer, a reference for its class. 29 prestigious awards from various experts being a testament to its status. But we aspired to go further. To challenge ourselves. To challenge you.

The latest avatar of the Renault Duster comes with revolutionary AWD & i Drive Technology, making it **INTUITIVE**, **INTELLIGENT** and **INTERACTIVE**, changing the way you look at driving. Any kind of driving, anywhere. The kind that shatters perceptions while breaking barriers. The one that thrills no matter where you want to go.

So when the new Renault Duster AWD challenges the world to "Enjoy Every Challenge", it also extends an invitation to you. An invitation to experience the very best that driving has to offer. The new Renault Duster AWD is ready. Are you?

AWD

AWD WITH i DRIVE TECHNOLOGY

Now, get easy and intuitive access to the need of the moment with multiple transmission modes. The iDrive with Shift on the Fly Technology allows the option of 2WD, Auto and 4-Wheel Lock Mode, while you go taming the roads.

DRIVE MODES

2WD

For good road conditions that don't require the AWD to unleash its fullest, there is the 2WD mode, utilising only the front two wheels, for optimal efficiency.

AUTO

The advanced AWD also boasts the power of discretion. Based on road conditions, it distributes power between front and rear automatically, leaving you nothing but pure driving pleasure.

4WD

Be it bumpy roads or slippery paths, rain-soaked trails or no roads at all, the 4WD mode possesses incredible traction, giving you the power to tackle the roughest of terrains.

ALL WHEEL INDEPENDENT MULTI-LINK SUSPENSION

To further ensure your victory over any terrain, the AWD allows each wheel of the car to follow irregularities or bumps on the road without affecting the wheel on the opposite side of the car. And with the Electronic Torque Control (ETC) which intelligently distributes torque to all wheels, you can now make your way through anything.

DESIGNED TO MAKE THE ROUGH LOOK SMOOTH.

Pack grit and grace into one machine and the new Renault Duster AWD is what you will get. Its muscular design and smooth, dynamic lines prepare you for the adventures to come, irrespective of which road you're on. Step inside to discover a whole new world of comfort waiting for you. It is designed to pamper your wild side, relax your body and elevate driving to a whole new level. Give yourself a stylish drive. Give the world a reason to be envious.

ANTHRACITE ALLOYS

Style meets substance with these imposing R16 road-gripping dark grey, alloy wheels. Make a statement of dominance, whichever road you're on.

3-DIAL TECHNO-SPORTY INSTRUMENT CLUSTER

Uber-stylish displays with white illumination and chrome rings add to the sporty DNA.

ALL-NEW SOFT TOUCH DASHBOARD

A fusion of ergonomics and elegance, the new dashboard is the perfect complement to the stylish muscular exteriors.

SPORTY BURNT RED FABRIC UPHOLSTERY

Stylish and sporty at the same time, the gorgeous red and rugged beehive pattern makes for seating fit for the discerning.

SMOKED HEADLAMPS

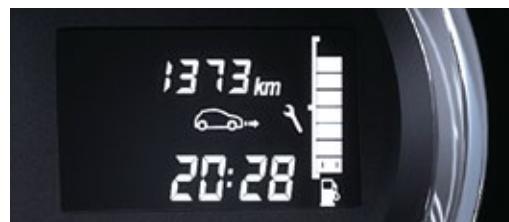

The stylish black, smoked headlamps give the car an imposing, impressive look. Yet another feature that sets you apart on the road.

CAR WASH, DUSTER STYLE.

The new Renault Duster AWD is more than just a new way of looking at automobiles. It's a new way of experiencing driving. A perfect fusion of brain and brawn, it comes equipped to take on any surprises and transform them into sheer pleasure on the road.

Long drives will now be pure joy. Tough terrains will be something to eagerly look forward to. Harsh weather will feel like absolute calm. It's time for you to experience this remarkable combination of plush amenities and state-of-the-art technology. Tough never had it so comfortable.

MULTI-INFORMATION DISPLAY

Get accurate information about the exterior temperature, speed limiter, real time fuel consumption, estimated range with remaining fuel and even a reminder of next service due, with a convenient state-of-the-art display.

ELECTRICALLY ADJUSTABLE OUTSIDE MIRRORS

With outside rear-view mirror positioning at your fingertips, be in control of the drive and the world around you.

8-WAY ADJUSTABLE DRIVER SEAT

Tame tough terrains while seated like a king with 8, fatigue-beating seat settings customised for you.

REAR SEAT CENTRE ARMREST

Rest your arm snugly as you enjoy the drive.

TRUNK STORAGE SPACE

It's more a cargo section and less trunk. Spoil yourself with ample trunk storage that extends from an already roomy 410 litres to an incredible 1064 litres by folding the second row of seats. Pack to your heart's content.

MEDIA NAV

The entertainment nerve-centre of the AWD makes you the master of all your music, serves up all your navigation help and attends to all your communication needs. The future of navigation consoles brought to the present.

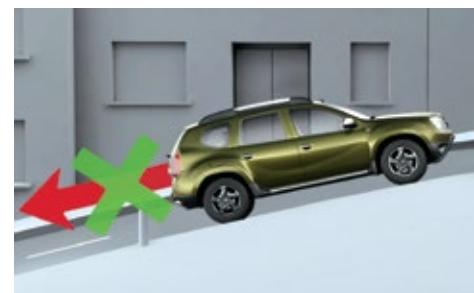

STEERING-MOUNTED AUDIO AND PHONE CONTROL

The user-friendly steering-mounted controls on the new Renault Duster AWD offer easy handling of both audio and telephonic devices.

SPORTY 3-SPOKE STEERING WHEEL

The new 3-spoke, sporty steering wheel provides proper grip and control for city roads and off-roads, reminding you how pleasurable driving can be.

HILL START ASSIST

During a hill start, one may maintain brake pressure automatically for 2 seconds for easy manoeuvring.

CRUISE CONTROL

Take in all the glory of a smooth, long highway drive without any exertion and fatigue.

OUTDOORS BECOME THE GREAT OUTDOORS.

When the world throws challenges at you, don't think twice about saying 'Yes'. Because while you're sitting back and enjoying the drive, the new Renault Duster AWD is making sure you're absolutely safe. And incredibly efficient. From a thoughtfully-designed body to ESP®, ABS, EBD & Brake Assist, safety transforms from worry to everyday reality.

Furthermore, it takes efficiency to new heights with unmatched fuel economy and a short turning radius, to name just a few. So whether it is zipping down a highway, off-roading or just getting to work, have fun getting there.

INTELLIGENT ELECTRONIC STABILITY PROGRAMME & ANTI-SKID RESISTANCE

By controlling the grip of each wheel, the car is stable on corners and wet conditions. And that means you can enjoy every drive without any worry.

REAR DEFOGGER, REAR WIPER AND WASHER

Help defog, wash and wipe the rear windscreen, for clear vision in adverse weather conditions. Enjoy looking back at the world you've left behind.

DUAL FRONT AIRBAGS

Being adventurous stops being fun if it's not safe. The dual front airbags reduce the risk of injuries in the event of a head-on collision.

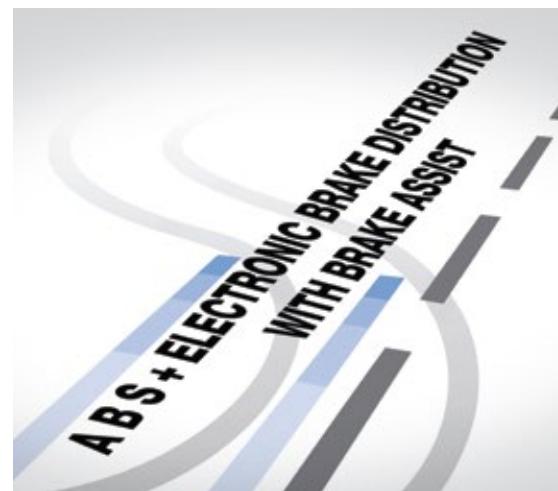

MONOCOQUE BODY

The monocoque body provides increased torsional rigidity, handling and safety. Go on, rough it out without thinking twice.

FRONT FOG LAMPS

Improve visibility in fog or rain while enhancing the style quotient. Being safe now also means being stylish.

ABS WITH EBD & BRAKE ASSIST

Helps the driver control the vehicle under panic braking conditions. Just so, nothing interrupts the fun you're having.

SHORT TURNING RADIUS

The best-in-class turning radius of 5.2 m offers fantastic manoeuvrability and adds a shot of fun when driving through tight corners.

6-SPEED TRANSMISSION

The efficient 6-speed gears give you the ability to utilise the engine's high-power range optimally. Go from 0-wow in no time.

APPROACH AND DEPARTURE ANGLE

Determines the height of an obstacle and helps conquer it without a scratch. Take the driving experience to a new high.

GROUND CLEARANCE

Best-in-class ground clearance of 210 mm negotiates bumps or badly laid roads with ease. Feel high and mighty, whichever road you take.

ECO MODE

Incorporates a coordinated control programme that maximises fuel efficiency, enabling approximately 10% less fuel consumption. Let the adventure never stop.

EXCELLENT FUEL EFFICIENCY

The power of this vehicle is matched by its excellent fuel efficiency of 19.72 kmpl*. Don't ever think twice about driving on and on.

GUESS WHO GOT EVEN
MORE UNSTOPPABLE?

1.5 LITRE dCi ENGINE

While the 1.5 litre dCi engine in the new Renault Duster AWD feels like a quiet cruiser, there's more than enough power to take you places. The 110 PS output coupled with economy, refinement and torque, makes it a truly unmatched engine. And in cut-and-thrust city traffic, it scurries away from the city lights with the best possible fuel economy of 19.72 kmpl*.

Under the new Renault Duster AWD's hood lies the power behind its ability to take you anywhere you want to go. With unmatched torque and class-leading technology, it's the perfect way to power through anything. Add to this, a highly responsive and refined 1.5 litre, 110 PS diesel engine, and any terrain is yours to take.
